Dear Alan:

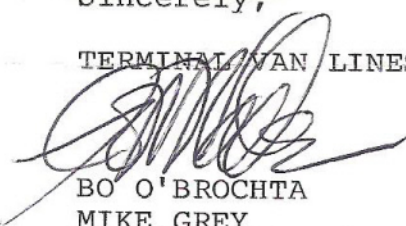

I am composing this correspondence on behalf of Bo, Mike, and myself to serve as documentation of our gratitude to the members of the National Drag Racing Club for a most unforgettable visit to the United Kingdom.

We have attended every motorcycle drag racing event in the United States since 1977 and have not witnessed any better promotion or handling of a race. The enthusiasm and hard work by the members of the National Drag Racing Club was phenomenal to say the least. Believe me when I say the promoters and race organizers on this side of the Atlantic could learn a lot from your fine group.

Thanks again to all you guys for a super indoctrination to drag racing - and hospitality - English style. We loved it!

Sincerely,
